

1 Education

2010	Ph.D. in Statistics & Methodology Joint Program in Survey Methodology, University of Maryland, College Park
1998	Master of Arts in Economics University of Massachusetts, Amherst
1994	Bachelor of Arts (<i>magna cum laude</i>) in Economics Smith College, Northampton, MA
Citizenship	U.S.
Languages	English (fluent); German (very good: B2/C1)

2 Professional Experience

2023 – present	Principal Research Scientist Amazon
2016 – 2022	Fellow RTI International
2010 – 2015	Senior Researcher (with tenure) Institute for Employment Research, Nuremberg, Germany
2013 – 2014	Chair of Statistics and Social Science Methods (Interim) Department of Sociology, University of Mannheim
2009	Guest Researcher Department of Sociology, Technical University of Zurich (ETH)
2001 – 2010	Senior Methodologist National Opinion Research Center
1999 – 2001	Senior Data Analyst Massachusetts Institute for Social and Economic Research, Amherst, MA

3 Publications

* indicates co-author is a former student

Books

1. Keusch, F, Struminskaya, B, Guyer, H, Eckman, S. In preparation. *Data Collection with Wearables, Apps, and Sensors*
2. Biemer, P, de Leeuw, E, Eckman, S, Edwards, B, Kreuter, F, Lyberg, L, Tucker, C and West, B. (editors). 2017. *Total Survey Error in Practice*. Wiley.

Special Issues

3. *Journal of Official Statistics*, Co-Editor of Special Issue on Respondent Burden. (2022). Volume 38, issue 4. <https://sciendocom/issue/JOS/38/4>
4. *Journal of Official Statistics*, Co-Editor of Special Issue on Total Survey Error. (2017). Volume 33, issue 2. <http://goo.gl/1L8zzH>

5. *Survey Research Methods*, Editor of Special Issue on GIS in Surveys. (2017). <http://ojs.uni-konstanz.de/srm/issue/view/132>

4 Selected Awards and Grants

1. Elected Fellow of American Statistical Association, 2021
2. U.S. Census Bureau Cooperative Agreement "Ask U.S. Panel" 10/2020 - Present. Co-PI, \$6,000,000
3. Research Fellowship at Bureau of Labor Statistics, awarded by American Statistical Association and the National Science Foundation. "Investigating and Reducing Motivated Misreporting in the Consumer Expenditure Interview Survey" 9/2018 - 8/2021. PI, \$103,000
4. National Science Foundation EAGER grant #1645307. "Exploring Motivated Misreporting of Crowd Workers for Developing Data Quality Assurance Best Practices for Using Crowdsourcing Platforms in Engineering Research" 9/2016 - 8/2018. Co-PI, \$99,900
5. Dissertation Award granted by Federal Statistical Office of Germany, 10/2012
6. Centers for Disease Control and Prevention Dissertation Grant (1R36SH000013-01) September 2009, \$37,000
7. Charles Cannell Fund in Survey Methodology Research Grant, 5/2009, \$9,500

8. Student Paper Competition winner, DC chapter of the American Association for Public Opinion Research, 2009
9. Maryland Population Research Center Seed Grant (with adviser, F. Kreuter), 10/2008, \$15,000
10. Census Bureau Dissertation Fellowship, 8/2008, \$50,000
11. Rensis Likert Fund in Research in Survey Methodology, multiple awards, 2008-2009

5 Invited Presentations (selected)

- 2022 “Studying Changes in an Ongoing Survey Using a Web Survey” Demoskop, Stockholm, Sweden. December.
 “Improving Label Collection Through Social Science Insights: Preliminary Results and Research Agenda” TU Delft, April.
 “Data Science Informed by Survey Science: Collecting More Accurate Labels” Utrecht University, March.
- 2021 “Using Passive Data to Supplement or Replace Survey Data” Lyberg Conference, December.
 “Data Quality in Data Science” Joint Statistical Meetings, August.
 “Effects of the Pandemic on Surveillance Surveys” National Academies of Science, Engineering and Medicine, Committee on Applied and Theoretical Statistics, June.
 “Assessing the Effects of Questionnaire Changes when Experiments are Not Possible” University of Manchester Social Statistics Seminar, February.
- 2020 “Precision of Estimates of Nonresponse Bias in Means” Joint Program in Survey Methodology / Michigan Program in Survey Methodology seminar, November.
 “Studying Changes in an Ongoing Survey Using a Web Survey” Government Statistics Section / Social Statistics Section Workshop on Blended Data. October.
 “Using Computer Vision to Detect Housing Units from Satellite Imagery” Invited session of Survey Research Methods Section. Joint Statistical Meetings. August.
 “Blending Survey and Passive Data” United Nations Statistical Commission. Friday Seminar on Emerging Issues: Household Surveys in a Changing Data Landscape. February.
- 2019 “Motivated Misreporting over Waves in the Consumer Expenditure Survey” Bureau of Labor Statistics, July.
- 2018 “Three Studies on Supplementing Survey Data with Passive Data” GESIS Research Institute, Mannheim, Germany. August.
- 2017 “Response Rates Matter for Data Quality, but Not How You Might Think” World Bank Development Data Group Learning Series, Washington, DC. March.
- 2016 “Are High Response Rates Good for Data Quality? Evidence from the European Social Survey” Department of Sociology, Catholic University, Santiago, Chile. January.
- 2015 “Does the Inclusion of Non-Internet Households in a Web Panel Reduce Coverage Bias?” Research Directorate, Census Bureau. January 6.
- 2014 “Survey Misreporting: Related Instances of Measurement Error” University of Stockholm. March 19.
- 2013 “Collecting Reports of Change in Panel Surveys” Presentation to European Central Bank, Statistics Development/Coordination Division. Frankfurt, Germany. November 6.
 “The Use of Random Geographic Cluster Sampling to Survey Pastoralists” World Bank Brown

Bag. September 5.

“Motivated Misreporting in Surveys: Do Respondents and Interviewers take Shortcuts that Compromise Data Quality?” GESIS Summer School in Survey Methodology. Cologne, Germany. August 28.

“Uses of Geographic Information Systems in Household Surveys” Department of Statistics, Iowa State University. June 5.

2011 “Performance of the Half-Open Interval Missed Housing Unit Procedure, and Other Topics in Survey Coverage” Joint Program in Survey Methodology Brown Bag Seminar, University of Maryland, College Park. December 21.

“Mechanisms of Misreporting in Filter Questions” University of Essex. November 7.

“Creating Housing Unit Frames from Address Databases: Geocoding Precision and Net Coverage Rates” Program in Survey Methodology Brown Bag Seminar, University of Michigan. September 9.

2010 “The Role of Interviewers in Survey Coverage” University of Bern. October 5.

“Errors in Housing Unit Listing and Their Effects on Survey Data” National Center for Health Statistics. June 10.

2009 “Role of Interviewers in Collecting High Quality Survey Data” University of Konstanz, Department of History and Sociology. November 18.

“Coverage Rates and Coverage Bias When Interviewers Create Frames” Statistical Research Division, Census Bureau. June 9.

6 Mentoring & Teaching Experience

PhD Thesis Supervision

Bach, Ruben. PhD Thesis, Department of Sociology, University of Mannheim, 2018. (Assistant Supervisor) “Panel Conditioning in Surveys” Winner of Lorenz-von-Stein Prize awarded to an outstanding dissertation in Political Science, Social Psychology or Sociology by the Mannheimer Zentrum für Europäische Sozialforschung.

Masters Theses Supervision

Hochstädter, Ute. MA Thesis, Department of Sociology, University of Mannheim, February 2015. (Assistant Supervisor) “Interview Length and Data Quality in the European Social Survey”

Block, Nora. MA Thesis, Department of Sociology, University of Mannheim, February 2014. “The Relationship Between the Place of Residence and Individual Health”

Kuhnle, Jeremy. MA Thesis, Department of Sociology, University of Mannheim, February 2014. “I Do’ But Who? Determinants of Interethnic Marriage in Germany”

Assistant Supervisor for 9 additional students, including:

- Haas, Georg-Christoph. MA Thesis, Department of Sociology, Technical University of Dresden, September 2015. “Estimating the Measurement Error in Survey Data, which Occurs by Asking the Administrative Data Linkage Question” **Winner of Generis Award for best thesis in Sociology at the Technical University in Dresden.**
- Wengrzik (later Daikeler), Jessica. MA Thesis, Department of Sociology, University of Mannheim, August 2015. “Response Propensity and Motivated Underreporting” **Winner of student paper award of the Social Statistics Section, the Government Statistics Sec-**

tion, and the Survey Research Methods Section of the American Statistical Association; Winner of thesis award from the German Online Research Workshop.

Semester Courses

- “Quantitative Survey Methods” Georgetown School of Foreign Service. Fall 2022.
- “Total Survey Error II” Capstone course in Masters program. Joint Program in Survey Methodology, University of Maryland, College Park. Spring 2014.
- “Causal Analysis” Masters-level. Department of Sociology, University of Mannheim. Fall 2013.
- “Introduction to Empirical Sociology” Bachelors-level. Department of Sociology, University of Mannheim. Fall 2013.
- “Panel Data Analysis” Masters-level. Department of Sociology, University of Mannheim. Spring 2013.
- “Readings in Survey Data Quality” Masters-level. Department of Sociology, University of Mannheim. Spring 2013.
- “Readings in Panel Data Analysis” Masters-level. Department of Sociology, University of Mannheim. Spring 2013.
- “Using SAS for Data Management and Survey Statistics” Masters-level. Department of Statistics, Ludwig Maximilian University. September, 2012.
- “Sampling Methods and Theory” Masters-level. Department of Statistics, Ludwig Maximilian University. March, 2011.

Short Courses

- “Surveys Using Stata” Harvard Medical School, Global Clinical Scholars Research Training Program. Online Webinar. January, August 2022; June 2021; January 2020, 2019, 2018; February 2017, 2016.
- “Sampling for Non-Statisticians” Bureau of Labor Statistics. November 2018.
- “Collection and Use of Location Data in Surveys” MAPOR Conference. November 2018.
- “Sampling, Weighting and Estimation for Complex Surveys” GESIS Summer School in Survey Methodology. August 2019, 2018, 2017, 2016, 2014, 2013. Norwegian Technical and Natural Sciences University. October 2015.
- “Workshop on Analysis of Complex Survey Data” German Centre for Research on Higher Education and Science Studies. October 2014.
- “Theoretical and Applied Aspects of Survey Sampling” International Research Workshop, University of Southern Denmark. October 2014.
- “Design Principles for the Use of Filter Questions” American Association for Public Opinion Research Webinar. June 2014.
- “Analysis of Complex Survey Data” Graduate Program of the Institute for Employment Research. November 2010; February 2012, 2013; March 2014 German Central Bank. September 2011.
- “Determinants of the Quality of Survey Data” Second International Bamberg Summer School in Empirical Education Research. September 2009.
